What Does Owning A Yorkie Say About You

The Yorkshire Terrier is a sincere and loyal companion. Although small in size, the Yorkie is highly energetic, adventurous, fun loving and always up for a challenge.

Owners of this breed are known to be flexible, detailed oriented, neat and keep very orderly homes. Just like their fur counterpart, they are often feisty, brave and competitive. Yorkie owners are extremely talkative and have a good sense of humor.

Both owner and canine are versatile in nature. They are perfectly content enjoying an evening at home relaxing on the sofa or spending the night partying on the town.

I guess it is safe to say...we are a match made in heaven.
