1. Wash watermelon and dice a few cups, removing seeds as you go.
2. Place in the freezer for four hours (or longer.)
3. Add 1 ½ cups of frozen melon to the food processor with ¼ cup of yogurt. Blend and add more of either ingredient to change the flavor or texture.
4. Enjoy immediately.

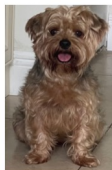

HiStyle Molly Life Goes On earned her CGC and TDN titles on June 26, 2023. Molly and I owe great thanks to Betty Gansky and Fate with their encouragement and demonstration of what our little dogs can do. My girl is smart! It's a joy to work with her and share my good news with my new club.

How Can You Tell If Your Yorkie Is Happy?

by Giavanna

Have you ever looked at your peacefully napping Yorkie and wondered, 'Is she truly happy? Is she living her best life?' It is easy to figure out the answers to these questions.

When your BFF (Best Fur Friend) is happy and enjoying what they are doing it will show in their body language and facial expressions.

Below are some things you can look for.

A happy Yorkie's face will have:

- Relaxed facial muscles.
- Eyes that appear "soft".
- A smooth and relaxed brow.
- Loose and relaxed ears.
- A slightly opened and smiling mouth.

A happy Yorkie's body will have:

- Relaxed body muscles.
- A loose tail which hangs naturally.
- A bouncy gait when walking or running.
- Affiliating behavior and they will solicit your attention.

To ensure your Yorkie is happy, give her a lot of options for ways to keep busy. Toys, treats, walks, and playtime with you are all part of a happy life.

Told-ya it was easy! Now spread the happiness! 🐾

It's a dog's life!

Che vita da cani!

C'est une vie de chein!

Es una vida de perro!
