In the first photo Fate is one of 5 dogs to qualify in Open B on Saturday. She had a score of 196.5. In this picture 4 of the 5 dogs that qualified were Golden Retrievers. Fate earned a 3rd placement.

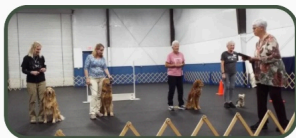

The other two pictures were taken on Sunday. Fate won 3rd place in Open B with a score of 196. The lady in the picture is Susan Howard who owns both Golden Retrievers. The one that took 1st place in a OTCH11, UDX14, Grand Obedience Champion! It earned a 199 1/2!

Fate also earned 2nd place in Utility B as well as her 23rd UDX leg with a 192 1/2.

I didn't realize it until I got home on Sunday that she also earned her OM3 title!

Paw-i-scope Sagittarius Dog

November 22 - December 21

A Sagittarius dog is known for having their heads in the clouds and they love exploring the world around them.

🌲 Their ideal day is going on an exciting new hike, a cross-country road trip, or out to the beach.

🌲 They can be very impatient, so be sure to give them plenty of toys to occupy themselves when they are left home alone.

How To Reduce Your Yorkie's Stress This Holiday Season

- 🐾 Give your Yorkie a quiet space they can retreat to if the festivities become overwhelming. Remember to include water, treats, and toys.
- 🐾 Keep dangerous decorations and plants out of their reach.
- 🐾 Maintain your Yorkie's consistent daily routine and activities. Stick to regular feeding schedules, walks, and playtime.
