HAPPY VALENTINE'S DAY

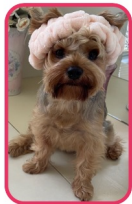

WILL YOU BE MY **valentine?**

# A Valentine's Spa Day

by Giavanna

Valentine's Day is a day set aside for expressing your love and devotion to someone special. Of course, the someone special can also have four legs. This Valentine's Day why not treat your BFF (best fur friend) to a spa day. It is easy! So let's get started!

- Create a tranquil atmosphere with softly playing music and dog-friendly aromatherapy..
- Start with a warm bubble bath using lavender scented doggy shampoo.
- After the bath, wrap your pup in a soft towel. As you dry her, do so by placing your thumbs on either side of her spine and use a kneading motion to slowly massage her from head to tail. Pure RELAXATION!
- Next brush your pup's coat using long gentle strokes. This will remove any loose fur and promote a healthy, shiny coat.
- Trim her nails and massage paw balm to her pads.
- End this special spa time with a Valentine's theme bow or bandana, a treat, and a kiss. ❤️

Pisces Dog

February 19– March 20

♥ **The Pisces dog has a dreamy personality and craves nothing but peace and harmony.**

♥ **This inherently sweet pup knows they have you wrapped around their paw, just like they had planned.**

**Me: (while getting off the sofa) "I'll be right back."**

**Yorkie: "I would feel much better if we go together."**

### For The Love Of Yorkies

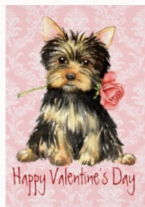

Yorkies...God's way of apologizing for your relatives.

When my Yorkie winks at me I always wink back just in case it is code.

They should make an alarm clock that sounds like a Yorkie about to puke. Nothing will get you to jump out of bed faster.

I wonder what nickname my Yorkie gave to me.

After God created the Yorkie, He sat down and smiled.

## She Is Really Something!

by Betty Gansky

Faith showed on Sunday, January 27, in Agility in Miami. She earned second place in her division and double-q'd.

She also got 2nd place in both of her Open classes at the Obedience trials held at the Obedience Training Club of Palm Beach County a few weeks ago. She also won \$50.00 cash on Sunday by winning the Highest Scoring Non-OTCH-Non-OTCH Handler award. She is really something! She's too smart for her own good!

I Woof You!
